contacting us. We've received your submission. "Given the Trump campaign's desire to hire the CHS as an advisor, the CHS is in a perfect position to as CD direct questions about the Trump campaign's alleged ties to RF," one memo read. "The team provided the CHS with several open source articles about the Trump campaign.". The Times reported there is no evidence that the informant "acted improperly" or that "agents veered from the F.B.I.'s investigative guidelines and began a politically motivated inquiry, which would be illegal.". RUSH: Now, let me add one more wrinkle to this. Glenn Simpson, who is the founder of Fusion GPS and is the good friend of Christopher Steele -- and is who actually hired him -- the author of that salacious, unverified, uncorroborated Trump dossier. "Glenn Simpson testified" in August of 2017 "that the FBI had a source in the Trump campaign." Now, Simpson said this to contradict claims that the FBI began their investigation based on the Steele dossier. Simpson knew the dossier was bogus. Simpson knew the dossier was opposition research. Danchenko's advice is consistent with the way he denied or fabricated the roles of certain individuals, including businessman Sergei Millian, according to the government. In the summer of 2016, according to the Times, an FBI

intelligence source offered Papadopolous a \$3,000 honorarium to write a research paper about a gas field in the Mediterranean Sea and travel to London to talk about it. Papadopolous did so, and while he was in London, the FBI informant asked him about any campaign contacts with Russia, the Times reports. Page told the Post he and the informant had "extensive discussions," meeting several times in the D.C. area, but he didn't recall exactly what they discussed two years ago. Clovis' attorney, Victoria Toensing, told the Post that Clovis met with the informant for coffee once in late summer of 2016 just outside of D.C. Reports of the FBI informant come amid an already tense relationship between Mr. Trump and the DOJ and intelligence agencies, with the president frequently calling the Russia probe looking into any ties between his campaign and Russia a "witch hunt." We thank our sponsor for making this content possible; it is not written by the editorial staff nor does it necessarily reflect its views. More people are working from laptops than ever these days. Whether you're self-employed, starting online education, or utilizing a work-from-home setup, you need to be able to work from anywhere. Laptops. . Matt Gaetz's Republican 'America First' opponent is now running an ad suggesting

Gaetz was the informant against Trump.

pic.twitter.com/1Fm6g7xibn— Ron Filipkowski. "She said the meanest, cutting and obviously untrue things about Reince and I didn't include them in the book because they were so unfair," he said. "She also lit into Jared and Ivanka saying that they leak against Steve Bannon. And I know that White House aides have seen texts that she has sent to other journalists dissing her colleagues, leaking material." Kessler's book is viewed as a strong defense of our President. Steele compiled a now-debunked dossier that helped the FBI launch its investigation of the Trump 2016 campaign's links to Russia. The IG also discovered an October 2016 email written by an Intelligence Analyst on the Crossfire Hurricane team that contained information about another Confidential Human Source, described here as Source #3. 2022 Cable News Network. A Warner Bros. Discovery Company. All Rights Reserved. This would amount to spying, and it is hugely disconcerting. It would also be a major escalation from the electronic surveillance we already knew about, which was bad enough.
