[20 Expert Sweepstakes Tips to Help You Win More Prizes](#). Sandra Grauschopf has been working in the contests industry since 2002. She is a passionate sweeper, with tens of thousands of dollars worth of prize wins to her name, and she has been sharing advice about how to be a winner for over a decade. No one has an unlimited amount of time to spend entering sweepstakes, so it makes sense to optimize your time so that you can get the most entries possible in the time you have available. These tips will help you enter sweepstakes more efficiently so that you can boost your chances of winning. Automatic entry services are definitely prohibited by those sweepstakes rules. For example, if you wrote a program that automatically filled out and submitted a bunch of sweepstakes entries for you while you washed the car or made breakfast, it would fall under the automatic sweepstakes rules. The good news is that very few sweepstakes sponsors mind if you use Roboform to enter. After all, you are still visiting their website and you still have the chance to read their promotional information—

and purchase their products. Therefore, your chances of disqualification, especially if you read the rules before entering, are very low. Roboform saves you a lot of time while entering sweepstakes. This strategy cuts down on your waiting time, giving you as little downtime as possible during your sweepstakes entry time. You can even save opt-in information so that the entire form is filled out perfectly each time you enter. You can then choose to submit the entry form by hand or use Roboform's one-click feature to fill and submit the form in one go. [How to Delete & Clear Autofill Suggestions in Your Browser](#). Roboform has many features, but a few of them are especially attractive for sweepstakes fans. Rather than opening one sweepstakes website at a time, try opening about 10 sweepstakes pages at once so that they can start loading. You can then start with the ones that load the fastest, filling out and submitting their entry forms. The less time you spend waiting for pages to load, the more time you will spend entering giveaways. Plus, you'll be able to concentrate on your entries if you aren't distracted. [How to Delete & Clear Autofill Suggestions in Your Browser](#). [10 Easy Ways to Find Free Giveaways Online](#). It avoids typos and other mistakes on your entry forms. Sweepstakes Entry

Restrictions: How Often Can You Enter Giveaways?. Some sweepstakes sponsors will even disqualify you for entering with Roboform. For the most part, when you use the autofill feature of your browser, it's not considered as an automatic entry. After all, you visit the site, you see the advertising, you have the opportunity to explore the sponsor's offerings in more depth. What difference does it make to the sponsor if you type in the information or not? While specific sponsors may disagree, most do not consider an entry completed with autofill to be an automatic entry. While automatic entry services have advantages for sweepstakes sponsors, such as reaching a target audience that wouldn't otherwise find their giveaways, some companies prohibit automatic entries because they only want people who have visited their websites to have the chance to win..

Sweepstakes may only be entered in or from the fifty (50) United States, the District of Columbia or Puerto Rico, and entries originating from any other jurisdiction are not eligible for entry. All.
