Be the first to hear about our specials. I ordered both the offset magazine release and thumb rest takedown lever. The parts are well machined and finished. The offset mag release is perfect, I don't have to change my grip or cant the P320 in my hand to reach it during a reload. The thumb rest works for me, just enough purchase to help you gain leverage during firing. Virtually eliminated any muzzle flip. [gunmagwarehouse.com](http://gunmagwarehouse.com) needs to review the security of your connection before proceeding. I've used 17 round mags in the P320C (and other handguns) for some time but when another shooter at the range saw me using the 21 round mag they said it was dangerous. Something about the magazine not fitting properly and going too high into the grip. So much so that it blocked the chamber. The fella offering up advice at the range sound like "that guy".
