We were good for several years but he changed when we started high school. I ended up finding out that he was a manipulative and terrible person. He abused his dog, said too many inappropriate jokes and was a fake person overall. I exposed him in our group chat one day, only for him to play the victim card and make me out to be the bad guy. I wish nothing but the worst for him. Now That's Just A Crummy Friend I came out as a lesbian in my early 20s and my BFF didn't take it well. She stopped talking to me and eventually I gave up trying to communicate with her. It did break my heart since we'd been very close for a long time, but I was okay with her going her own way if she couldn't agree with who I was. You Can't Say They Didn't Try He ghosted me after 15 years of friendship. I went to his house one day to ask if things were okay because I thought that maybe he was going through something. He told me things were fine on his end and that he was just really busy. When I left his house, I told him to

text me. He smiled and went back into his house. After high school, I attended the local college and he went into the workforce. He started to spend more and more time at this local gaming place, Fragz. Almost any time he wasn't working or he was there playing some video game. Turns out, they got super tipsy, Ubered back to my place and got their cars. Instead of taking me home, they left me blacked out in the back of my car in the middle of downtown. They literally took an Uber to my home and didn't take me. At Least She Got Some Payback. I THOUGHT she was my best friend. When we first got close, she slowly started to isolate me from others, saying that everyone around her was annoying and that I was the only person in her life who wasn't. That was nice to hear; at least, at the start. . As soon as I stopped being her personal taxi, she no longer had a use for me. The last time she reached out was two years later when she wanted me to donate money to her iPad fund. Oh, Young Love Essentially he chose his girlfriend of four months over me, despite the fact that I was his best friend for eight years. The last thing I said to him was, "I hope she's worth it.". A company's announcement date can reveal a great deal about how the company is doing, for better or worse. For example,

imagine that you'd held stock in a company for five years. For each of those years, the company had paid out an annual dividend of \$1.00 per share.

Record Date: The record date is the official cutoff date by which you must be a shareholder in order to receive a portion of the dividend payout. The important thing to keep in mind is that, depending on which market you trade on, it may take a day or more for an investment to actually go through. In other words, if you wait until the record date to buy stock, your buy may not go through until the next day, and you'll miss the cutoff for dividend payments. This is why the ex-dividend date exists.

There had been a few occasions that he blew off spending time with me to go to Fragz, but it was no big deal. I understood he had his own hobbies, even if I wasn't really into it. However, there were a few other times when we made plans with friends, and he'd just "forget." He would sit for hours in front of the computer screen at Fragz and totally lose track of time. The next day he'd be all apologetic, and we would forgive him. One day, I got us tickets to a comedian we both liked. He was going to be performing at a local venue. I only just two

tickets, so it was just going to be me and him. We made plans to see the performance, and I went to pick him up at his place about an hour before the show. I get to his house, and his family says they haven't seen him. His sister then says, "He's probably at Fragz.". So, you've decided you want to dip your toe into the world of BDSM. Ex-Dividend Date: The ex-dividend date is the date by which you need to buy a stock in order to make sure your investment goes through by the record date. It's often one business day before the record date. It gives the trade enough time to fully execute and to qualify you as a shareholder. If you buy a stock by its ex-dividend date, you'll receive a portion of its upcoming dividend payout. If you purchase the stock after the ex-dividend date, however, you'll miss out on that upcoming dividend date and will need to wait until the next payment date.

Loratadine is reported as an ingredient of Laritol EX in the following countries:. I had a friend who seemed to only reach out to me when she needed a favor. For example, out of kindness, I'd often drive for over an hour to pick her up and take her somewhere she needed to be, just so she wouldn't have to

use the bus. She never repaid me in food or gas ever, even when asked, so eventually, I made myself less available. Most of the time I was actually busy anyway trying to manage two jobs. Ex-factory pricing is the exact amount a manufacturer charges for the products as they leave the production line. Often distributors and wholesale companies purchase these goods directly from the factory floor or loading docks, providing their own shipping. This practice helps sellers regulate their prices when working with a third party. The ex-factory figure is determined solely by the manufacturer. The price does not include taxes, surcharges or shipping and handling fees. It is often a lower price than a buyer can receive when dealing with a secondary shipping service as a go-between and therefore is preferred by major retailers trying to keep price margins within a certain range. Exporting and importing services use ex-factory pricing on a regular basis. These prices allow companies to purchase products from loading docks and shipping yards without paying additional transit prices. The practice also allows for the regulation of the passage of goods between countries by necessitating a changing of hands between manufacturers, distributors and shipping agencies.
